

The Lovers Game (No Exceptions)

When love is a game....

After having her heart broken, Brooke tries to rebuild her life and closes herself off from the one man she loved deeply. When she meets Grayson, a photographer, she has no idea that her new boss will offer her more than she bargained for. The pay is great, her new friends more than welcoming, and everything seems to be running well...until everyone insists she find herself a new suitor during a night out.

Jett knows how to play games. He is used to getting attention from everyone except the beautiful dark haired woman who doesn't like to be fooled with and doesn't trust him as far as she can spit. He wants Brooke but, more than that, he wants to own her, and the only way to get her is to make her owe him...against her will.

And what Jett owns, Jett keeps forever.
